#### Step 1:

Go to official Sendgrid website: <https://sendgrid.com/>, then click start for free.

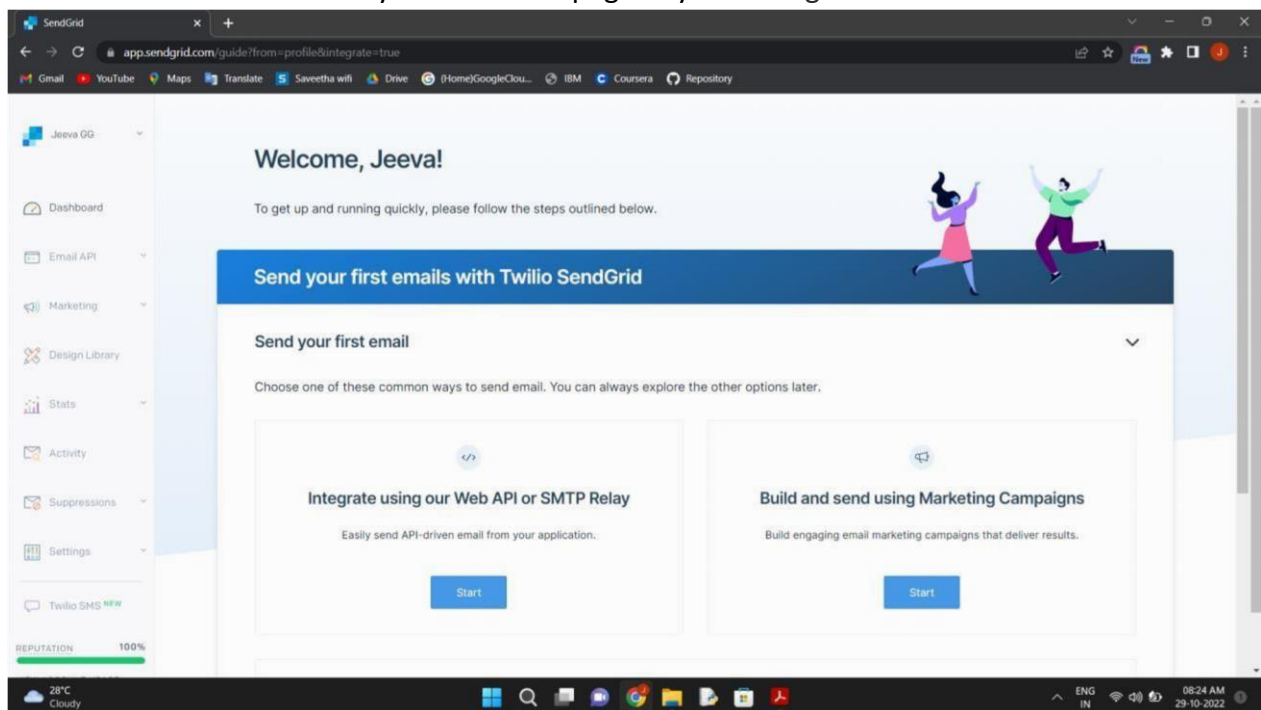

#### Step 2:

Then go to Registration Page, you need to give all the details required for creating a Sendgrid account and finally click create button. The below screenshot will show the registration Process.

The screenshot shows the Twilio SendGrid registration page titled "Tell Us About Yourself". Below the title, it says "This information will help us serve you better." The form contains several input fields: "First Name", "Last Name", "Company Name", and "Company Website". There is a "Country Code" dropdown menu currently set to "USA (+1)" and a "Phone Number" field. Below these, it asks "What is your role?" with radio button options for "Developer", "CEO", "Marketer", and "Other". At the bottom, it asks "How many emails do you send per month?" with radio button options for "0 to 100,000" and "100,000 to 700,000". A "Privacy" link is visible in the bottom right corner.

### Step 3:

Then it will redirect you to a home page of your sendgrid account.

### Step 4:

Finally, you have created your account and now you can access the sendgrid account.
